Celebrating the next generation of Latinx leaders.
¡BASTA YA!
“ENOUGH” TO INHUMANITY, ABUSE, AND INEQUALITY.

- Persistent economic challenges in the wake of natural disasters
- Hate crimes fueled by xenophobia and racism
- Attempts to deter Census and voter participation
- Criminalization of immigrants, Latinxs, and communities of color
- The race-based wealth gap is growing and leaving communities of color behind
HIP IN ACTION

• Shining a spotlight on the humanitarian crisis at our southern border and coordinating a regional response to the migration crisis on both sides of the border.

• Advancing women’s rights across Latin America.

• Investing in nonprofits to fight for an inclusive and accurate 2020 Census.

• Launching the PowerUp Fund to deploy capital to build Latinx wealth.

• Equipping our emerging Latinx leaders for success in the public sector.

• Creating innovative tech solutions for more robust and inclusive philanthropy.
